Remarks **Welcome to Avalon's modern masterpiece. This one year old custom build features 7 bedrooms, 5 full bathrooms, and 2 powder rooms. Completely unique and high end home that will impress. Expansive and spacious at 5,034 sq ft, this build sits on an oversized 80x100 ft corner lot. The floor plan allows excessive sunlight throughout the three stories. The entire first floor den and bar open to the outside like no other adding to the already expansive room. Pool and hot tub include 2 waterfall features and gas stone fire pit for good measure. Plenty of out door seating around the pool and up on the first floor back patio. Unique spiral staircase from the patio can lead you up to the back second floor deck. Enter through massive front door and look straight through and out to the pool. Ensuite with 2 other bedrooms with a jack and jill bathroom. Up the distinctively designed stairs to the 2nd floor great room, dining area, upscale kitchen with custom quartz countertops and wine room. Also included on this floor are 2 additional ensuites. Third floor consists of a private master bedroom with an inspiring master bathroom and walk**
