Remarks Unit B-10. Must see! The owners hired Mike Pierson of Island Home Renovation and Design in Avalon to completely transform the interior of their multi-level Cambridge Greene condo- and with stunning results! A welcoming foyer and the master suite are located on the entry level (2nd floor). The spacious bedroom features a "morning coffee" balcony, desk space, walk in closet, and an elegant bathroom. Upstairs, the great room is the ideal gathering spot for family and friends. Plantation shutters on the sliding glass doors provide privacy when needed. The custom kitchen and practical dining banquet were custom designed and built for the space. High end appliances complete the package. There is a separate laundry room with more custom cabinetry and washer/dryer. The 2 bedrooms on this level share the attractive tub/shower tile bathroom. Easy maintenance plank style flooring throughout. Solid 2 panel doors and glass knobs add to the classic style. The main sundeck is roomy enough for outdoor dining or simply enjoying the sunshine.
