Remarks Enjoy picturesque views of Cedar Island and Pennsylvania Harbor while soaking up the Avalon sun and breezes. Never a rental, this like-new Tom Welsh built townhouse will impress, with beautiful finishes, elegant furnishings, and thoughtful design. The unique feature of this lovely townhome is that the connection to the neighbor at the rear of the unit, not the side. This uncommon design feature leads to a unique single family feel with an interior layout and exterior deck spaces of extraordinary privacy and width. Its corner location offers even more privacy, as there is no neighbor to the East. The current neighbor to the West has no front-facing decks or entertainment space. Enter the home from a welcoming covered front porch. The first floor features two large bedrooms, a full bathroom and laundry area. The center stair leads to the second floor, a spacious living area brightened by large windows and glass doors, framing views of the bay. The second floor kitchen has stainless steel appliances, stone countertops, a large center island
