

Greetings!

Applications are now being accepted for the 2025 Presbyterian Youth Triennium Production Team. This team consists of youth and adults who share a passion for youth ministry and work alongside staff to refine the many layers of Triennium and make this large-scale event happen. We would love your help promoting the application, identifying potential applicants, and maybe even applying to be on the team yourself. 😊

Joining the Production Team is an incredible opportunity to serve the church, develop as a leader, form lifelong friendships, problem-solve creatively, laugh and work hard, and deepen your relationship with God. The nature of a lot of the Production Team's work is inherently behind the scenes, and an ability to be a good listener and work well with others is of great importance.

We are striving to assemble a Production Team that is reflective of the diversity of our church and of God's kin-dom and we need your help to do this. We are looking for team members from big cities and rural areas, big churches and little churches, and different cultures and backgrounds who are excited to come together with other Presbyterians to create an event and experience bigger than themselves. We welcome all youth and adults from Presbyterian Church (USA) and Cumberland Presbyterian Churches to apply!

Every three years we start fresh with a new theme, new schedule, and new theological grid and are always looking for new perspectives and voices. We deeply encourage individuals who are Black, Indigenous, people of color, and/or immigrants to apply for the 2025 Production Team. We joyfully invite you as church leaders to identify and support applicants of color, spread the word about the 2025 Production Team, and encourage people to apply.

For more information or to fill out an application, please visit the Triennium website:
www.presbyterianyouthtriennium.org/2025-production-team

Applications will be accepted through September 15, 2023. Please let us know if you have any questions. 😊

Hope you all are having a great summer so far!
