

Education Task Force Forming

The Education Training Team (ETT) is forming an **Education Task Force** to assess the current needs of our congregations and members and to prayerfully discern how God is calling us to provide training and enrichment opportunities throughout the Presbytery.

Those who participate in the task force are also encouraged to consider attending the Spiritual Discernment Retreat, **“Go to a Land I Will Show You: The Surprising Practice of Spiritual Discernment,”** offered through the School of the Laity on October 3–4 at Epworth By The Sea. Through this experience, we hope to align ourselves more fully with the leading of God's Spirit as we engage in this important work.

This task force will help explore future educational and spiritual formation opportunities as we move forward in place of the Faith Enrichment Conference.

If you are interested in serving on the Education Task Force, please contact **Linda Nelms, ETT Chair**, at lindanelms2006@gmail.com by **June 15**.

We welcome your ideas, insights, and participation as we seek to support the learning and growth of our congregations and members.
