About the Scholarship

Created to support and encourage Savannah Presbytery members to enhance their spiritual and ecclesiastical growth and to prepare them for service in their congregations through attending Savannah Presbytery's J. Richard Bass School of the Laity by alleviating the financial burden of tuition and fees. The scholarship has been established in memory of Elder Leslie McCracken, St. Simons, and in honor of her longstanding legacy and devotion to the Savannah Presbytery and the School of the Laity *(Leslie authored the current School of the Laity handbook!)*
