Why SterlingNOW?

SterlingNOW is powered by Sterling, the world's largest employment background screening provider. It offers small businesses the same award-winning service, quality and innovation that we have provided Fortune 500 companies for over 40 years.

Speed

Our pioneering CourtDirect™ technology provides instant access to 75% of criminal record searches in county court jurisdictions. This allows 66% of our searches to be closed within an hour and 90% within one day.

Accuracy

While speed is important, accuracy is critical. Our extensive data sources and rigorous quality controls are designed to deliver reliable information that help you make sound hiring decisions and ensure the safety of your community.

Compliance

Sterling embraces the ever-changing landscape of relevant global, federal, state and local hiring regulations, helping you to navigate them and stay compliant.

Sterling and SBCA have partnered to develop a screening package customized to your business needs, and offer it at a discounted price.
