History / Now part of LPGA Family

- In 2018, the Executive Women's Golf Association (EWGA) aligned with the LPGA and LPGA Foundation to become the LPGA Amateur Golf Association. Building on the almost 30 years that the EWGA connected thousands of women through the game, the LPGA Amateurs is now part of the LPGA family which includes the LPGA Tour, Symetra Tour, LPGA Teaching and Club Professionals, LPGA*USGA Girls Golf, LPGA Leadership Academies, and LPGA Women's Network.

Mission

- Our mission is to provide a welcoming golf community for all women. The LPGA Amateur Golf Association transcends geographic boundaries. With Chapters in over 110 cities (and growing) in the US and internationally, we bring together and connect women who share a passion for golf. The LPGA Amateur Golf

Association hosts thousands of golf, social, and networking events annually as well as providing members with the opportunity to participate in major National championships and events.

Membership and Events

- The 13,000 members in 110+ LPGA Amateurs Chapters across the US, Canada and Bermuda share a passion for the game and a love of their local golf communities. Over 7,500 local and National events are played every year - from individual and team events for competitive players to social outings, league play, and networking opportunities for the recreational golfer, to golf destination travel for all.

Who are Our Members

- Diverse in every way, members play golf for a variety of reasons – to learn something new, to connect with other women, for health and wellness, to compete, for business, or just plain fun. Whether you are a beginner taking your first lesson, returning to the game after some time, or a lifelong golfer, you will find a welcoming community with the LPGA Amateurs.
