The Core Purpose of Documented Faith

It is not about a religion. It is about a personal relationship with Jesus. It is about developing the habit of spending time reflecting, reading, worshiping, learning and memorizing God's word in a creative way.

Documented Faith was created to remind, encourage and inspire each other to record, illustrate, document and journal our everyday moments, how God is working in us and through us, what Bible verses speak to us and how they apply to our situations, reminders and inspirational quotes and most importantly, how our relationship with Jesus and with others is growing. There is no start date, no finish date, no right way or wrong way to do it...just the gentle, persistent encouragement in the way of an email with a verse that lands in your inbox once a week. That's it. What you do next is up to you. Some take the verse and create cards and share them with others. Some rewrite it in another translation in the margin of their Bible, some just read the verse.

Week 1 1/1-1/7

Verse: Therefore, my dear friends, as you have always obeyed not only in my presence, but now much more in my absence continue to work out your salvation with fear and trembling, for it is God who works in you to will and to act in order to fulfill his good purpose. Philippians 2:12-13 NIV

Notes: Do Everything Without Grumbling. Activate the strengthening process daily, consistently and faithfully.
