

Week 39 9/24-9/30

But encourage one another daily, as long as it is called “Today,” so that none of you may be hardened by sin’s deceitfulness. Hebrews 3:13

To prevent having a stubborn heart, stay in community with fellow believers, talk daily about your mutual faith, be aware of deceitfulness of sin (it attracts and it destroys) and encourage one another daily with love and concern.

When I read this verse it stings because I am one that can be stubborn. This is the last week of September so we will be moving onto another word but we need to remember to continually encourage each other. I need you to remind and encourage me daily and I will remind and encourage you.

Print these out, trim and place where you can see them and be reminded to be an encourager
