KENTUCKY SCHOOL OF MINISTRY

ASSEMBLIES OF GOD

DSOM ASSOCIATION of DISTRICT SCHOOLS of MINISTRY

KY Network Superintendent

I welcome you to the Kentucky School of Ministry. KSOM led the way when national DSOMs (District Schools of Ministry) began. Today, we partner with nearly forty other Schools of Ministry across the nation to provide the highest quality of biblical learning for our movement. You've joined a fellowship of faithful and dedicated students, from high school to college age, and a host of workplace ministry learners including lead pastors, staff roles, singles, or husbands/wives. Many are raising children and discovering ministry callings. Numerous already hold Bachelors, Masters, or Doctorate degrees in other fields of study. And, we welcome our Spanish and French speakers to the KSOM family!

Having had the privilege of previously serving on the national committee of the Association of District Schools of Ministry, I can attest first-hand to the phenomenal opportunities ahead for students committed to Bible knowledge or the pursuit of ministerial credentials with the Assemblies of God. Now with 88 million members around the world and missionaries and mission organizations in over 250 nations across the globe, this great Church is honored to help you pursue His purposes in your life and ministry. It's a joy to partner with you. May the Lord richly bless your work and efforts for Him.

Pastor Joe
Joseph S. Girdler, DMin
KMN Network Pastor / Superintendent

KSOM Director

Welcome! We are grateful you have already decided or are considering enrolling in KSOM (Kentucky School of Ministry)! Our entire team of faculty is dedicated to helping our students receive an excellent biblical education and develop the ministerial skills to become more fruitful servants of our Lord Jesus Christ.

KSOM is especially designed to help those who want to receive ministry credentials with the Assemblies of God. Our three levels of classes and internships offer rich insights and practical application that will enhance your personal ministry in the local church. We are excited this year to offer Spanish and French speaking classes for the Certified and Licensed levels of credentialing. Additionally, in our goal to provide continuing ministry education for all credentialed ministers, we have scheduled two 'KSOM Plus' classes for 2027!

KSOM is a perfect option to assist those wanting to gain a deeper understanding of scripture, but do not currently plan to seek ministry credentials. Likewise, KSOM provides a pathway for students transferring from other denominations, offering biblical and theological training that is foundationally Assembly of God in content.

For ministerial candidates, KSOM provides all the classes required for each level of Assembly of God credential, Certified, Licensed, and Ordained. KSOM is also a wonderful resource for equipping church leaders, deacons, teachers, volunteers, etc., those men and women who are so vital to the spiritual health of every church.

Wherever you may be on your ministry journey, we are honored to assist in your training and development as a follower of Christ.

Purpose of Kentucky School of Ministry

Kentucky School of Ministry exists to facilitate the mission of the church by promoting and enabling the training of ministers and Christian workers. The School provides training for those sensing a call to ministry, whether as credentialed ministers or as equipped laypersons within the local church. KSOM strives to give doctrinal and practical instruction based upon common core values and shared ministry goals.

Kentucky School of Ministry fully subscribes to the Statement of Fundamental Truths of the Assemblies of God and is committed to proclaim and support the principles and polity of the Assemblies of God. The School is committed to provide training that meets District and General Council educational requirements for ministerial credentials. This training shall be equivalent to criteria adopted by the General Presbytery of the Assemblies of God and complies with the guidelines established by the Association of Assemblies of God District Schools of Ministry.

Statement of Faith

Kentucky School of Ministry fully subscribes to the Statement of Fundamental Truths, as adopted by the General Council of the Assemblies of God, as its statement of faith.

Endorsement

The Kentucky School of Ministry (KSOM) has been recognized and endorsed by the Executive Presbytery of The General Council of the Assemblies of God as a District-based Bible Institute. KSOM is a charter member of the Association of District Schools of Ministry (ADSOM).

The Kentucky School of Ministry has also been recognized and endorsed by the Executive Presbytery of the Kentucky District Council of the Assemblies of God as an official ministerial training program for those seeking credentials through the Kentucky District Council of the Assemblies of God.

Philosophy

Kentucky School of Ministry exists to provide students with a deeper understanding of scripture and ministry principles. KSOM is open to any person, clergy or lay, seeking to enhance his or her ministry to Christ and His church. The School will lead students in a thorough examination of Scripture and provide classroom interaction to develop a broad perspective of understanding the Church's mission and their creative abilities in presenting the gospel.

KSOM provides an atmosphere that facilitates spiritual formation, relationship building and academic achievement, fulfilling 2 Timothy 2:15, *"Be diligent to present yourself approved to God as a workman who does not need to be ashamed handling accurately the word of truth" (NIV).*

Structure

Classes are conducted at Camp Crestwood (7206 Clore Lane, Crestwood KY, 40014) once a month, nine times a year, one course for each corresponding credential level (Certified Ministry, Licensed Ministry, and Ordained Ministry).

Classroom instruction provides an overview of the material, practical applications, and opportunity for questions and discussion. Instructors use a variety of teaching methods, becoming mentors as they share personal ministry experiences and build relationships with their students. KSOM instructors are ordained Assemblies of God ministers, or they are specifically qualified to teach a particular class.

Prior to class, each student is required to read the course textbook(s) and complete the course study guide. A minimum of 10 hours of preparatory work is necessary. With the classroom time, students will have invested at least 16 hours per course.

Each weekend class includes six (6) one-hour sessions: two on Friday night, the final exam on Saturday morning and three sessions of value-added teaching following the exam.

Students' study guides must be submitted online no later than midnight (Eastern Time) of the Wednesday immediately prior to the Friday/Saturday class session. All Final Exams are administered online in class. Students must bring their own laptop/mobile device in order to take the Final Exam. KSOM does not have equipment available for student use.

Recognition at NetCon (District Council)

Students who have completed a level of study within the previous year are recognized at our annual Network Conference, and those completing four or more classes through KSOM are distinguished with a KSOM Cord. In addition, those who have received their credentials will be presented with their Credential certificate.

Disclaimer

Credential courses completed through Kentucky School of Ministry meet the educational requirements of the General Council of the Assemblies of God to obtain AG ministry credentials. KSOM courses are only a portion of the credentialing process. Many other aspects enter into the granting of a credential and must be met before a credential will be granted. KSOM provides academic training, not ministerial recognition. Students who desire to pursue AG ministry credentials can find details and instructions to get started at ***kyag.org/credentialing***. Taking classes through Kentucky School of Ministry does not automatically qualify students to receive a credential with the Assemblies of God, nor does participation and completion of the classes give preference in the credentialing process.

Student Policies and Grading Information

1. Students must attend all sessions of the weekend to receive credit for the class.

2. All online classwork must be completed no later than midnight (Eastern Time) on the Wednesday immediately prior to the Friday/Saturday class session. Students may print a copy of their completed classwork for their reference during the class session at Camp Crestwood.

4. All classwork and exams are automatically graded online. Students receive their results immediately upon completion.

5. Course grades are determined on the following basis:

Internships

Students seeking credentials with the Assemblies of God are required by the General Council to complete an internship at each level of study. Students who plan to apply for credentials are encouraged to begin the internship after completing their first class of each level.

The internship enrollment fee is $25. No additional class sessions or textbooks are required for any of the internships.

The Internship Portfolio, found at ***kyag.org/ksom***, explains the 6 internship components, Students must work with an approved ordained AG minister as their mentor to complete each internship. Exceptions must be approved by the KSOM Director. Mentors must view a video and complete a Mentor Covenant for approval to begin the student's internship.

Educational Requirements for Ministerial Credentials

KSOM provides the biblical and doctrinal education necessary for those seeking ministerial credentials with the Assemblies of God.

College Credit

Classes offered through KSOM are professional and practical training at an institute level. KSOM courses are not for college credit and are not transferable as college credit. However, some Assemblies of God Universities do offer credit for classes taken at AG District Schools of Ministry. Contact the KSOM office for details.

Student Admission and Records

1. Kentucky School of Ministry is open to any person, clergy or lay, seeking to enhance his or her ministry to Christ and His church.

2. KSOM will not deny admission solely based on race, national origin, gender, or physical disability. KSOM may deny admission to any person for any other reason.

3. There is a minimum age of 15 to begin taking KSOM Classes. Minors must be accompanied by a same gender parent/legal guardian when attending KSOM classes. See "Housing for minor KSOM students" on page 9 for details about parental/guardian supervision while at the Crestwood campus.

4. This School is responsible for keeping accurate transcripts and other student records and making them available to the student upon request. A processing fee may apply.

Attendance

Students are required to attend all six class sessions for each KSOM course in their entirety (see page 9 for the schedule of weekend sessions). KSOM is not a correspondence school; attendance is required.

If a student registers for and cannot attend a class, they are to notify the KSOM office at 502-241-7111. If this is done prior to ten days before a class session, moneys paid will be credited to the student's account or refunded.

In the event of an unforeseen emergency such as illness, family crisis (injury or death), or church/ministry crisis (parishioner injury or death occurring immediately prior to or during a KSOM weekend), the student may receive a refund or apply their registration fee to a future class. See page 8 for options to make up a missed class.

Student Code of Ethics, Conduct and Honor

Students are expected to conduct themselves in a Christ-like and Biblical manner at all times, in both their personal conduct and pursuit of their studies, striving to maintain the highest of ethical standards, including honesty and integrity. Failure to adhere to such standards may result in the student's dismissal from KSOM, subject to the decision of the school's administration.

In all class sessions, students should be respectful of their peers and instructors. Behavior that is disruptive to the learning process and disrespectful to others will not be tolerated and will be addressed, first by the instructor of the class, and if necessary, by the administration. Students refusing to be cooperative may be dismissed from the school.

Students are expected to complete the required course assignments of their own effort. While it is reasonable and beneficial for two or more students from the same family, church or community to study together, it is essential that each student's work be his/her own.

Team Playbook

WHO WE SERVE IS MORE IMPORTANT THAN WHAT WE DO.

People are more important than projects. Every task we seek to complete or goal we seek to achieve will involve a person or people. Because our service is to people, how our pursuit of these tasks and goals affects others is more important than getting them done.

WE WORK HARD TO MAKE IT EASY FOR THOSE WE SERVE.

We ask ourselves, how we can make it better, simpler, or more efficient for those we serve. This means putting our "customer" at the center of the experience.

WE ASSUME GOOD INTENTIONS.

We tend to judge the intentions or motives of others by their actions, but we would never want to be judged that way ourselves. So we offer those we serve the gift of assuming that they have good intentions, and use that as a starting point for every conversation and interchange.

LITTLE THINGS MAKE A BIG DIFFERENCE.

It is often the small acts of service that pack the biggest punch. Never underestimate the impact you make when you go the extra mile to serve someone.

WE WELCOME CLARIFYING QUESTIONS.

We believe what we do is important enough to get it right. If a request or communication is unclear, we ask questions in order to understand what is expected.

WORK, CELEBRATE, LAUGH, REPEAT.

You need a definition here?

A WIN FOR ONE IS A WIN FOR ALL.

When one of us succeeds, we all have reason to celebrate. Every win we have, from budgeting to big events, helps us win as a team.

EVERYONE HAS A NAME AND A STORY.

We live in a world where numbers matter and we love to use them to measure success. Yet, our mission of bringing the hope of Jesus to our communities can be hard to measure. The numbers on our spreadsheets are more than numbers because everyone has a name and a story.

FIND THE "GOOD ENOUGH" LINE AND RISE ABOVE IT.

A gap exists between good and perfect. We understand this gap represents exponential effort for minimal value added.

WE HAVE EACH OTHER'S BACKS.

We don't throw one another under the bus. We protect and honor each other.

SERVING TODAY BRINGS SIGNIFICANCE TOMORROW.

Planting seeds can be boring and dirty work, and what you have just done is hidden from the view of others. But, you would not enjoy the fruit of harvest without it. Your works of service today may not seem immediately rewarding. But, you are helping others bring the hope of Jesus to their communities. Significant, indeed.

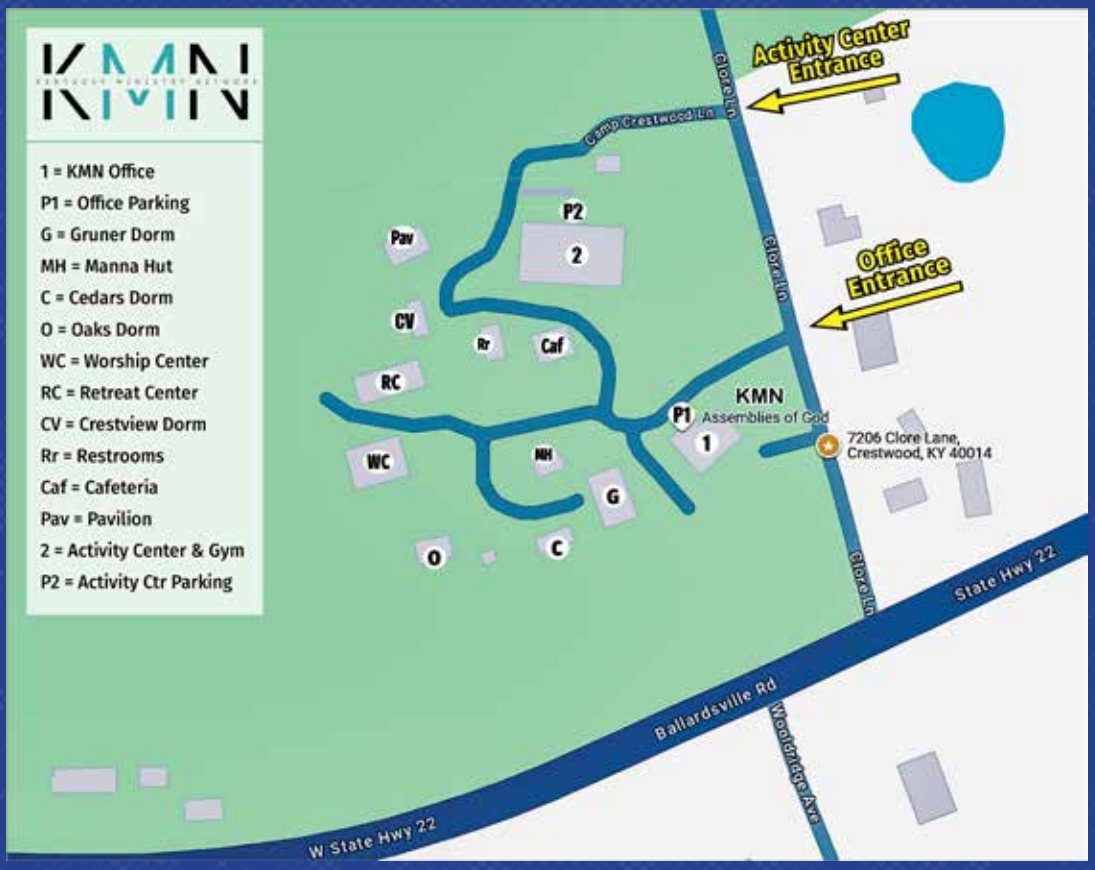

THE HIGHER THE TENSION, THE MORE PERSONAL THE COMMUNICATION.

When opinions vary, the stakes are high and emotions run strong, pick up the phone or schedule a meeting.
