Dear St. Timothy School Families,

On behalf of the St. Timothy Enrollment Management Committee, I'd like to invite you to please fill out an STS online parent satisfaction survey. The link to this survey is: <https://www.esurveycrator.com/s/0a95488>

The Enrollment Management Committee is tasked with analyzing all aspects of our school and to recommend improvements where needed. One of the tools we use to help us make recommendations to the school's strategic improvement plan, is the annual parent satisfaction survey. We are interested in where you see our school's strengths and our weaknesses. Your feedback is important and we are committed to not just gathering your feedback but to acting on it.

We would appreciate it if you would take the time and to honestly fill out the online survey. It is completely anonymous. We have no way of knowing who gave what response. As a token of our appreciation, you will be entered into a drawing for \$500 cash for completing the survey! To enter the drawing, just print the last page of the survey which says that you've finished. Write your name on the top of the page and either turn it in to the front office or email it to kmoses@sttimothyparish.org.

Once we collect all the responses, we will be communicating back to you the findings from the survey and what actions we will be taking as a result.

Thank you and God Bless,

Paul Hunter
