

**St. Timothy Catholic School**  
**7<sup>th</sup> & 8<sup>th</sup> Grade Science Fair 2017**

Dear Parents,

January 17, 2017

Science Fair season is here once again. We are asking for you to help us by volunteering to judge. For every student to have at least three judges, we need a minimum of 45 judges. We thank all who have volunteered to be judges in the past and are asking for your help again this year. We are also in need of many first time judges as well. No experience necessary, we will give you all the information you need. In addition, if you have any work colleagues who could also judge, they are most welcome.

The fair is being held this year on **Wednesday, Feb 8<sup>th</sup>** from **6pm to 9pm**. Judging information will be e-mailed to you by Feb 3<sup>rd</sup>. Sign in for judges will begin at 6:00pm. A light dinner will be provided starting also at 6pm. Final last minute instructions will be given at 6:30pm. Judging will take place between 6:40pm and 8:30pm followed by deliberation and category award selections. This should last no later than 9:00pm. The students will be dismissed no later than 8:30pm.

If a you or a colleague can judge, please fill out the form below and return it to the school office or your child's class teacher as soon as possible. You may also email me at
