Office of Small Business Programs

Army Contracting Command-Aberdeen Proving Ground (ACC-APG OSBP)

The OSBP-APG offers resources to industry firms looking to work with Command, Control, Communications, Computers, Cyber, Intelligence, Surveillance, and Reconnaissance (C5ISR) community and APG tenant activities.

Small businesses are vital to the U.S. economy, providing innovative solutions and emerging technologies for the Army's mission. Our experienced small business professionals collaborate with mission partners and the Army Contracting Command-Aberdeen Proving Ground, ensuring eligible small businesses receive a fair share of contracts and sub-contracts in relevant socioeconomic categories.
