WSSC Water Sponsored Legislation

Bill #	Title/Description	Position	Status/Notes
HB 1063 (MC/PG 102-25)	**Washington Suburban Sanitary Commission – Design and Construction – Alternative Project Delivery and Solicitation Methods** Amend PUA §20-104(e) to allow WSSC Water to enter into "alternative project delivery/solicitation methods" such as Construction Manager at Risk (CMAR) and Progressive design/build (PDB). These alternative methods allow for the contractor to be involved in the beginning of the planning and design phases through the construction phase, which helps minimize the risk of change orders and increased costs.	**SUPPORT** (10/20/24)	Committees: PGCHD Bi-County (1/23/2025) –Voted to Support PGCHD (1/24/25) – Voted to Support MCHD Metro Washington (1/27/25) – Voted to Support MCHD (1/31/25) – Voted to Support Positions: MCCEX – No Position MCC – No Position PGCEX – Support PGCC – Support MGA Hearings: Environment and Transportation – Feb. 25, 2025 (Favorable Testimony)

Bill #	Title/Description	Position	Status/Notes
HB 1064 (MC/PG 101–25)	**Montgomery County Planning Board and Washington Suburban Sanitary Commission – Open Meetings – Live Streaming Requirement (Palakovich Carr)** Current law requires that WSSC Water and the Montgomery County Planning Board live steam video or audio of its open meetings. This bill, as amended, would not make the live streaming requirement applicable to educational field tours and project site visits.	**SUPPORT** (10/20/24)	Committees: MCHD Metro Washington (1/20/2025) – Voted to Support MCHD (1/24/25) – Voted to Support PGCHD Bi-County (1/30/2025) –Voted to Support PGCHD (1/31/25) – Voted to Support Positions: MCCEX – Oppose MGA Hearings: Environment and Transportation – Mar. 6, 2025 (Favorable Testimony)
HB 1168 (MC/PG 112-25)	**Washington Suburban Sanitary Commission – Service Charges** The objective of MC/PG 112-25, as amended, is to authorize the Commission to establish customer classes for service rates or charges based on meter size. The authority to establish classes based on meter size would allow the Commission to provide residential customers with large meters more equitable fees.	**SUPPORT** (1/15/25)	Committees: PGCHD Bi-County (1/30/2025) –Voted to Support PGCHD (2/7/25) – Voted to Support Positions: MCCEX – SUPPORT MCC – SUPPORT PGCEX – SUPPORT PGCC – SUPPORT MGA Hearings: Environment and Transportation – Mar. 6, 2025 (Favorable Testimony)

WSSC Water-Related Legislation

Bill #	Title (Sponsor)/Description	Position	Status/Notes
SB 654	**Washington Suburban Sanitary Commission – Raw Water Pipeline Project – Audit** Requiring the Washington Suburban Sanitary Commission to retain and consult with an independent third–party auditor to conduct an audit of a certain raw water pipeline project; requiring the auditor to consult with the Office of Legislative Audits in conducting the audit; and generally relating to audits of Washington Suburban Sanitary Commission projects.	**HOLD**	Hearings: PGCSD (2/7/25; 2/12/25) - No Vote MGA Hearings: Education, Energy, and Environment – Feb. 25, 2025 (Informational Testimony)
SB 732 HB 909	**Sewage Sludge Utilization Permits - Per- and Polyfluoroalkyl Substances - Concentration Limits** Requiring certain sewage sludge utilization permits issued or renewed by the Department of the Environment to limit the concentration of certain per- and polyfluoroalkyl substances to 1 microgram per kilogram, the level established in certain health-based standards, or the level established by the Department under the Act; establishing requirements for the demonstration of compliance with the limits established under the Act; and authorizing the Department to establish certain additional limits by regulation.	**INFORMATIONAL**	MGA Hearings: SB 732 - Education, Energy, and Environment – Feb. 18, 2025 (Informational Testimony) HB 909 - Environment and Transportation – Feb. 26, 2025 (Informational Testimony)

Bill #	Title (Sponsor)/Description	Position	Status/Notes
MC/PG 104-25	**Montgomery County and Prince George's County – Washington Suburban Sanitary Commission – Transfer of Property** *Require a Certificate or Proof of Payment of Outstanding WSSC Water Bills to Execute the Transfer of Commercial Property.* The Maryland Real Property Article requires a series of documents that must be presented to prove debts are settled before the transfer of property. WSSC Water bills are not a requirement. The objective of this proposal is to require a certificate or proof of payment that the final WSSC Water bill has been settled before the transfer of commercial property can be executed.	**SUPPORT** (10/20/24)	Hearings: PGHD Public Bill Hearing (12/10/2024) MCHD Public Bill Hearing (12/9/2024) Positions: MCCEX– No Position **WITHDRAWN**
MC/PG 109-25	**Washington Suburban Sanitary Commission – Work Zone Speed Control Systems (Ernest Dyson's Law)** On Sunday, September 8, 2024, WSSC Water tragically lost Ernest Joseph Dyson, Crew Supervisor at the Lyttonsville Depot, while in the line of duty. Mr. Dyson was unfortunately fatally struck by a driver. To honor Mr. Dyson and help prevent the possibility of similar circumstances in the future, WSSC Water proposes establishing authority to equip WSSC Water employees with portable and vehicle-bound speed monitoring devices and signs while performing in work zones to enhance worker safety.	**SUPPORT** (10/20/24)	Hearings: PGHD Public Bill Hearing (12/10/2024) MCHD Public Bill Hearing (12/9/2024) Positions: MCCEX– Holding **WITHDRAWN**

Bill #	Title (Sponsor)/Description	Position	Status/Notes
MC/PG 110–25	**Washington Suburban Sanitary Commission – Commissioner Salaries – Increase** Increase Commissioner salaries to an amount comparable to the salaries of other board members and commissions in Maryland. Maryland has a constitutional restriction on a new salary increase applying to individuals who are currently in office. This restriction would apply to this bill and only Commissioners appointed after the effective date of the bill would be eligible for a salary increase.	**SUPPORT** (10/20/24)	Hearings: PGCHD Public Bill Hearing (12/10/2024) MCHD Public Bill Hearing (12/9/2024) Positions: MCCEX – SUPPORT **WITHDRAWN**
MC/PG 111-25	**Washington Suburban Sanitary Commission – Commission Infractions – Watershed Regulations** Under PUA §29-102, the Commission may impose a fine not to exceed $150 for each conviction of a watershed infraction, and a fine of $300 for a repeat offense. The current fine is lower than other agencies that impose similar fines such as Baltimore County, Maryland Park & Planning, and the Maryland Department of Natural Resources, which all have fines set at $500. The objective of this proposal is to increase the infraction fine to $500, and $750 for repeat offenses.	**SUPPORT** (10/20/24)	Hearings: PGHD Public Bill Hearing (12/10/2024) MCHD Public Bill Hearing (12/9/2024) Positions: MCCEX– SUPPORT **WITHDRAWN**
