5. HB 204 Drinking Water – Regulation – Control and Prevention of Waterborne Disease	
SUMMARY: The bill sets new requirements to control Legionella and other harmful bacteria in public water systems. It requires water suppliers to report certain disruptions, mandates investigations of reported Legionnaires' disease cases, and requires certain buildings to implement water management programs. It also directs state agencies to share information publicly, create education campaigns, and use collected penalties to support disease-prevention efforts.

Other Legislation			
Bill #	**Title/Description**	**Position**	**Status/Notes**
7. HB 220/SB 130: Environment - Water - Individual Unit Meters	This bill enables the installation of individual water meters in multi-unit dwellings, ensures fair allocation and transparency of water costs, mandates leak detection, protects tenants from eviction over unpaid water bills, and establishes a complaint process. Sponsor: Del. Charkoudian	**MONITOR**	
8. HB 556: Property Tax Credit - Utility Service Expenses for Dwellings (Maryland Family Utility Tax Relief Act)	This bill enables Maryland local governments to offer property tax credits to residents whose utility expenses exceed 25% of their net income, with implementation beginning in the 2026 tax year.	**UNDER REVIEW**	
9. HB 155: Public Safety - Law Enforcement Officers - Prohibition on Face Coverings	The bill prohibits Maryland law enforcement officers from wearing face coverings while on duty, except in narrowly defined situations, to promote transparency and accountability, with violations subject to criminal and civil penalties.	**MONITOR**	

10. HB 91: Agriculture-Neonicotinoid Pesticides-Prohibitions	This bill would ban the sale, distribution, and use of neonicotinoid-treated corn, soybean, and wheat seeds; prohibits neonicotinoid use on outdoor ornamental plants and turf; and allows the Secretary of Agriculture, in consultation with the Departments of the Environment and Natural Resources, to temporarily suspend these prohibitions under specified conditions.	**MONITOR**	
11. HB 43: Procurement - Advertising - Local News Organizations (Local Newspapers for Maryland Communities Act of 2026)	Requiring units of State government to ensure that at least 50% of the unit's total dollar value of procurement contracts for print and digital advertising is being made directly to local news organizations.	**MONITOR**	
12. SB 143: Public Works Contracts - Apprenticeship Requirements (Maryland Workforce Apprenticeship Utilization Act)	Revising apprenticeship requirements for public works contracts by adjusting apprentice and journey worker staffing thresholds, modifying project applicability, and eliminating the option to make payments in lieu of employing apprentices.	**UNDER REVIEW**	

13. SB 686: PFAS Chemicals – Product Phase Outs and Registration Requirements	Prohibiting manufacturers from selling, offering for sale, distributing, or distributing for sale in the State, certain products containing intentionally added per- and polyfluoroalkyl (PFAS) chemicals on or after certain dates; establishing registration requirements for certain products that contain intentionally added PFAS chemicals; providing for the testing of certain products to determine compliance with the Act; etc.	**HOLD**	
14. HB 508/SB 330: Public Safety - Police Accountability - Investigation Records Relating to Not Administratively Charged, Unfounded, and Exonerated Complaints	Requiring that certain investigation records relating to a complaint of misconduct by a police officer be removed from the police officer's personnel record 3 years after an administrative charging committee issues a determination not to administratively charge the police officer in connection with the complaint or a trial board issues a finding of unfounded or exonerated in connection with the complaint.	**UNDER REVIEW**	

15. HB 513: Hate Crimes and Hate Bias - Definitions of Sexual Orientation and Hate Bias Incident	Altering the definition of "sexual orientation" applicable to certain hate crime statutes; and defining "hate bias incident" applicable to a certain requirement that the Department of State Police collect, analyze, and report certain information provided by certain law enforcement agencies.	**UNDER REVIEW**	
16. HB 553/SB 286: Public Safety - Elevator Inspection Certificates - Searchable Database	Requiring the Commissioner of Labor and Industry to post a user-friendly, searchable database of active elevator inspection certificates on the Maryland Department of Labor's website; and requiring the database to be searchable by street address, city, and county.	**MONITOR**	
17. HB 572/SB 432: Attorney General Actions and Climate Crimes Accountability Fund (Climate Crimes Accountability Act)	Authorizing the Attorney General to investigate and pursue legal action against entities for unlawful conduct contributing to climate change; permitting the Attorney General to retain outside counsel as needed; and establishing the nonlapsing Climate Crimes Accountability Fund.	**MONITOR**	
18. HB 634 Police Training - Autism and Dementia (LEAD Act of 2026)	Requiring the Maryland Police Training and Standards Commission to require entrance-level and in-service police training to include certain training regarding individuals with dementia and autism.	**MONITOR**	

19. HB 699: Maryland Use of Force Statute - Failure to Prevent Excessive Force or Render First Aid - Misdemeanor	For the purpose of prohibiting a police officer from intentionally violating the requirement that a police officer intervene to prevent or terminate the use of certain force by another police officer; prohibiting a police officer from intentionally violating the requirement to render certain first aid to a person injured as a result of police action and request certain assistance at a certain time; and classifying a violation of the Act by an officer as a misdemeanor and providing, on conviction, a term of imprisonment of up to 5 years.	**MONITOR**
