## ARTS FOUNDATION

artistic opportunities today for a more creative tomorrow

[www.jamiehulleyartsfund.org](http://www.jamiehulleyartsfund.org)

The Jamie Hulley Arts Foundation was created in 2002 in memory of 20 year old Orange CT resident, Jamie Alaine Hulley. Jamie was a creative soul who had the gift of seeing the world as a thing of beauty and of making all who knew her feel special. Jamie's curiosity was insatiable, her laugh infectious, and her love of taking artistic risks unlimited. Her life's motto was "*what would I want with small dreams?*" The mission of Jamie's Foundation is to provide educational opportunities in the arts to young artists and early career professionals so that they can develop their talents and pursue their dreams.
