

# Your Business Can Support The Farmers Market and a Scholarship Fund!

CCA, the non profit host of Chincoteague Island Farmers Market, will be ordering our custom Market Bags throughout the year. These sturdy, reusable bags are eco friendly and last much longer than any brochures or business cards.

Sponsors donate \$250 for each order of 150 Market Bags and provide their company logo, address, and contact info. Your business name and logo is imprinted on each bag. Just yours. Multiple orders are appreciated and do not have to be sequential. Bag sponsors are welcome to insert their own rack cards after the order arrives.

Please select date(s) below when you would be a bag sponsor.
