NON-CONTACT
THERMOMETERS

The JXB-183 Non-contact Infrared Thermometer provides a quick and accurate measurement of core body temperature. No contact with resident's skin reduces the risk of cross-contamination and no probe covers are required which results in significant annual savings.

Skin Incentive Details:

STEP 1: Send proof of purchase of a minimum of 2 cases of Chamosyn 4 oz tubes to Jim Fowler at: jfowler@linksmc.com or (740) 334-1454 to receive 1 FREE JXB-183 Non-contact Thermometer

STEP 2: Continue to purchase a minimum of 1 case per month of Chamosyn 4 oz tubes over the next 6 months

STEP 3: For every 7 cases of Chamosyn 4 oz tubes purchased; receive 1 FREE JXB-183 Non-contact Thermometer (all cases of Chamosyn tubes must be purchased within 6 months to be eligible for promotion)
