

## **NWCCU Standards Revision**

Feedback from the regional survey, Town Halls, and online public comments concluded in March with over 700 accumulated comments that were shared with the Standards and Bylaws Committee of the Board of Commissioners. The comments will guide deliberations by the Board of Commissioners, who will issue a revised set of Standards and Eligibility in July 2019 for additional public comment. A vote of NWCCU members will take place in August 2019 with planned implementation in January 2020 following to-be-scheduled trainings for regional members. To review the current draft Standards, the feedback from regional survey and town halls, or a whitepaper on the NWCCU Standards Revision Process, please visit: <https://www.nwccu.org/accreditation/standards-review/>.
