

COVID may have changed things quite a bit, but we're still getting together for a not-so-traditional Youth Favorite: The Annual Lock-In with Blair and Julie Wilcox! **May 15-16.** This year, we've moved it to a Lock OUT, as we'll be setting up a socially distanced tent camp in the courtyard. Games, competitions, activities, snacks and more can still be expected. Watch your emails for more details and make sure to invite your friends and RSVP by May 12th at 5pm!

### **FAQs:**

#### **What if I need to go potty??**

Not to worry, we'll all need to at some point! The Church will be open for bathroom facilities throughout the event. No latrines for this adventure!

#### **What if I don't have a tent/camping gear??**

No problem! Just let us know when you RSVP so we can loan you supplies.

#### **Can I share a tent with my friends?**

Tent shares will be coordinated with your RSVP. Guardians must give permission for non-family members to tent share with others. Each Tent will be socially distanced from the next so that masks do not need to be worn inside your tent's area.

#### **Do I really have to wear a mask?**

Yes...we know you're sick of them. We are too. But, we're going with maximum coverage and minimal risk here. Masks must be worn for all activities when not in your tent area or eating. Your Dynamic Duo will review mask expectations at the beginning of the night with camp orientation.

#### **What do I bring to a Lock Out?**

Not to worry, Julie loves lists! And she'll provide you with a full list of supplies to bring closer to the date. For now, just commit to the event and let her know if you need a tent!

#### **What if it rains?**

A little rain didn't stop Noah, did it? OK, we don't have an ark, so we'll see how serious the rain might be and make a call as the date/time gets closer.
