

# 2021 BLACK HISTORY MONTH ALUMNI SPOTLIGHT

Domonic is an Employment Specialist at Easter Seals. He shares:  
“The first two years of high school, I joined the soccer team and journeyed to play teams in different states. The first time we played against a Canadian school for the Deaf at a tournament in Rome, NY. I also played on the basketball team, and we traveled from state to state. Playing sports at PSD is one of the best memories I cherish in my heart.”
