

CELEBRATE BLACK HISTORY

COREY M.
CLASS OF 2006

ALUMNI SPOTLIGHT

Corey works in the Transportation department at PSD. He shares: "My favorite memory was the senior trip to Florida to Universal Studios. My class worked hard to fundraise for the senior trip: selling bagels, candy and Valentine's Day gifts. PSD supported our trip also. Another favorite memory is the Disney World trip. I enjoyed being the sports manager for volleyball, soccer, basketball, and track. We got to travel to different schools and it was cool meeting other deaf students. In school, my favorite subjects were math and history/social studies."
