

# Philadelphia residents, have you signed up yet to receive your COVID-19 vaccination?

COVID-19 vaccine supply has increased in Philadelphia and more appointments will be available in the coming weeks for residents who express interest.

The first step in receiving your COVID-19 vaccination is completing the City of Philadelphia Department of Public Health COVID-19 Vaccine Interest Form:

[Phila.gov/vaccineinterest](https://www.phila.gov/vaccineinterest)

If you have trouble accessing or filling out the form, **call 311**. The form is available online in English, Spanish, French, Chinese, and Vietnamese.

If you are not a resident of Philadelphia but are interested in receiving a COVID-19 vaccination, check with your state and local health officials for guidance.
