

# CELEBRATE BLACK HISTORY

**MELISSA G.**  
CLASS OF 2000

## ALUMNI SPOTLIGHT

Melissa is a Day Residential Educator at Texas School for the Deaf (TSD). She shares: “PSD has a big spot in my heart. PSD welcomed my family with open arms. It’s important for me to recognize that both sides of my family has been involved at PSD in many ways: my Grandmother, Constance, volunteered with the audiology department, my Aunt Linda was a bus driver, my mother, Karen, is the Coordinator of Community Relations, and my sister, Alicia, is currently a teacher at PSD. I have SO many favorite memories at PSD: the annual father vs staff basketball game, the ESDAA tournament at the Sixers stadium, Walt Disney World trip, Jr. Nad conference in Florida and the Poconos, a sleep over at PSD, Youth Empowerment Summit in Houston, attending Greene Street Friends School and Germantown Friends School, Fun Days, winning science awards and the PSD 175th anniversary.”
