ProSource PROUD

Recording Best Practices

PREPARATION

EQUIPMENT NEEDED

- Smart phone

CONSIDERATIONS

QUIET AREA:

Choose a space with minimal traffic.

CLOTHING:

Dress for success! (Ex. a ProSource polo or your favorite top.)

LIGHTING:

We want to be able to see you clearly!

RECORDING

STEP ONE:

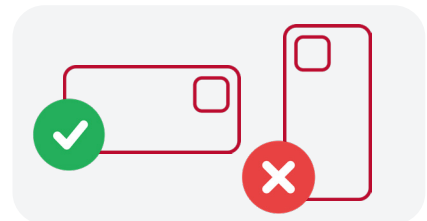

Find a quiet area to record yourself OR have someone else record you!
Group submissions will also be accepted & awarded.

STEP TWO:

Make sure your phone is recording in a horizontal dimension, **not** vertical.

STEP THREE:

Tell us your favorite thing about being part of the ProSource family. Is it getting to work on cool projects? Helping your pros and clients find the perfect products? Scan the QR code or check the post on the Collaboration page for examples.
