Meet Wendy

State Rep. Wendy Fink represents the 94th Legislative District in the Pennsylvania House of Representatives, serving parts of York County. Her focus as a legislator includes educational freedom, election integrity and being a citizen legislator like our founders intended. She believes government serves the people, not itself and has a specific, limited role to play in the lives of citizens. For the 2025-26 Legislative Session, she serves on the House Intergovernmental Affairs and Operations, Labor and Industry, Local Government, and State Government committees.
