

STAY INFORMED HOW WE VOTED CONTACT ME

Dear neighbors,

This week in Harrisburg was mostly devoted to working with our colleagues across the aisle and in the Senate to **complete the 2024-25 state budget**. I look forward to providing you with details as we vote on the various appropriations bills that comprise the state budget.

We are fighting to fairly funding our schools, protect access to birth control, and lower the cost of living for working families, among other priorities to benefit the people of York and across Pennsylvania.

Around the District

Last Sunday I joined the **York County Library System** for their annual **block party** at **Martin Library** in York City. This year the YCLS is celebrating their 50th anniversary! I had the honor of presenting them with a citation on behalf of the members of York County Delegation and myself. Congratulations YCLS and thank you for enriching the lives of so many in the York community.

We were blessed with such a great day for **NENA's block party!**

So many wonderful people and talent this year.

Thank you, Darlene and the Northeast Neighborhood Association, for all you do.

On June 8 I joined the community in Penn Park for **calls to stop the violence plaguing our community**, which particularly targets our children.

Seeing local churches, businesses, nonprofits, and government organizations come together to promote peace and unity in our area, and the passion of the speakers and volunteers gives me hope that this movement will only continue to grow, until we can trust in our collective community for peace and safety every day.

Thank you to the movement's organizers, and all participants for your conviction and dedication to the cause. Through your dedication we

WILL stop the violence here and everywhere!

▫ ▫ ▫ ▫ ▫

I extend my heartfelt congratulations to the **Salvation Army of York** for **re-opening** their location at 50 E. King St. in York following their renovations. They are now able to store many more goods for use in our community. Thank you for all you do, and I wish you continued success in pursuing your mission of meeting human needs without discrimination.
