

Dear Neighbors,

To everyone who recognized this past Wednesday as the Lunar New Year, I wish you all the blessings of a beautiful new season.

I hope you can celebrate this time surrounded by friends and family and find good fortune as you begin the Year of the Snake.

Around the District

This week we welcomed **Secretary Nancy Walker** from the PA Department of Labor & Industry to the **York County CareerLink**.

Included in the visit was an opportunity to witness Virtual Reality job workshops, which help career-seekers explore fields like automotive technology and hospitality.

It was great to learn about Labor & Industry's 2025 legislative priorities and how they plan to help those in the Commonwealth who are seeking employment.

I joined fellow York County legislators and county commissioners this week to discuss ways to continue **building community partnerships with York College**.

It was a productive meeting!

Explore York's Annual Tourism Industry event was held last week at the **Valencia Ballroom**. Our county tourism industry is a vital part of our local economy, generating over $1 BILLION in revenue for FY 2023-24 and creating nearly 8,000 job opportunities!

This economic impact helps fuel future projects and exciting events that keep our community thriving. This year's event theme, *Demystifying AI*, focused on the growing role of technology & AI in the tourism industry, and how to utilize this new asset to grow engagement and increase marketing reach.

Thank you to Explore York for all you do to make us a spot on the map for so many residents, tourists and visitors!

The **Official 2025 York County Travel Guide** has been released!

To order a FREE copy mailed to you, or to view the digital version, click the link: [Request a York County Travel Guide | York County, PA.]

I'm grateful to be part of a community that comes together to celebrate each other and our collective history. Thank you to Crispus Attucks, volunteers and community participants who braved single-digit temperatures to help with another successful **Martin Luther King Jr. Day of Service.**

Special congratulations to this year's "Living the Dream" Award Winners: Sarah Vielle, Jakyra Simpson, and Justice Maddox. Thank you for your constant commitment to leadership, diversity, education, and community service.

Around the Capitol

This week I welcomed **Rebecca**, a **winter intern** in my district office, to the state Capitol for an official visit where she spent the day observing the bustling routine activities around the complex.

Rebecca came to the United States from Haiti and joined my office to learn more about Pennsylvania and our state government.

Thank you, Rebecca, for joining me!

On Wednesday, I welcomed **Dr. Constance Craig-Mason** and her husband **Anthony Mason** to the state Capitol.

We met to discuss her work in financial literacy, and she was able to explore the Capitol and see the legislators working hard for the residents of Pennsylvania.

My Upcoming Events

Saturday, March 15th

Free Application for Federal Student Aid (FAFSA®) Completion Workshop

PHEAA
Pennsylvania Higher Education Assistance Agency

Do you want one-on-one support with completing the 2025-26 FAFSA?

Join us on February 19, 2025

Virtual one-on-one assistance will be provided during our FAFSA Completion Workshop from 5:00–7 PM (ET). **Please register for your 30-minute session by selecting the green button or scanning the QR code.**

Register for one of our workshops

NOTE: Space is limited; Registration is **required.** A Microsoft TEAMs link will be sent prior to the event.

The FAFSA asks for information about you and your financial situation. If you're married, you will need the same information for your spouse. If you're considered a dependent student, you will need your contributor's information, too.

Visit pheaa.org/partner-access/k12-counselors/pdf/publications/who-needs-studentaid-account.pdf for more information.

Before filing the FAFSA, gather the following items:

- Your StudentAid.gov Account username and password.
  NOTE: This may take time to process, so we recommend creating your account 4 days prior to filing the FAFSA. Visit StudentAid.gov/fsa-id/create-account/launch to create your account.
- Your Social Security number
- Your alien registration number, if you are not a U.S. citizen
- List of colleges or career schools you want to include on the FAFSA
- Name, date of birth, email address, and social security number of each contributor to the FAFSA
- Your 2023 tax documents and accompanying schedules
  NOTE: If you complete your FAFSA online, you will automatically retrieve your income and tax data from the Internal Revenue Service (IRS) and have it transferred into your FAFSA. The Federal Student Aid Direct Data Exchange is the preferred method to complete the FAFSA.
- Your current bank statements and records of stocks, child support payments received, bonds, 529 plans, business and farm assets, and other investments including real estate (but not including the home in which you live)
- A personal email address (not a school email address)

In-person registration. | Zoom registration.

"Veiled Chapters of The Hampton Plantation" is more than just a presentation; it is a history lesson; it is a journey of discovery, empathy, and reconciliation. By confronting the obscured narratives right in our backyards, Neicy seeks to deepen our understanding of the complexities of our shared heritage. She hopes to cultivate interest in genealogy among young people and communities, ensuring that these hidden chapters of history are finally brought to light.
