

The AARP Foundation Tax-Aide Program is again offering FREE tax service for taxpayers of all ages, especially adults 50 and older, during the 2021 tax season.

Last year, AARP Foundation Tax-Aide volunteers helped more than **108,360 Pennsylvania** residents claim **\$62,969,266** in federal refunds and **\$5,372,337** in earned income tax credits. The program is offered at approximately **283** sites in **Pennsylvania**, including senior centers, libraries, churches and other convenient locations.

There is no fee and AARP membership is not required.

Taxpayers should bring their photo ID and proof of their social security or ITIN numbers for anyone on the tax return, including children or other claimed dependents. Also, last year's tax return is helpful if it's available.

AARP Tax-Aide volunteers can prepare most personal income tax returns, including those with basic self-employment income. Due to training limitations, the program cannot prepare taxes for businesses, self-employed individuals who have employees or losses, farm income, rental property with expenses, for those who own or traded cryptocurrency, and more.
