Please make sure you also check out my upcoming events below. I'm excited to be holding a **Multicultural Small Business Resource Fair** in October!

Around the District

The **York County Reentry Coalition** (YCRC) held its Annual Meeting this week.

[YCRC](#) connects those leaving prison and reentering society in York County with a network of more than 100 resources in the form of individuals, agencies and organizations.

They aim to help these men and women during a time of transition in their lives by providing education, access to resources such as housing, and guidance on how to move forward after prison.

The persistent enthusiasm for this group's efforts showcases our collective commitment to Building a Better York that benefits all its citizens.

I recently visited **Family First Health's [George Street Center](#)** to learn more about programs and medical services they have to offer here in our community, such as dental care, adult and pediatric primary care, family planning, HIV care, optometry, and help with substance use. I was joined by Rep. Seth Grove, Dora Polk from Rep. Dawn Keefer's office, and BJ Sieg from Sen. Mike Regan's office.

What an amazing opportunity to support **ZNE**, [The Afro Caribbean Taste of Central PA](#) on their **first annual book bag giveaway**, while also sharing their mission with the City of York on educating and promoting the diversity of Haitian-Creole culture.

Program Reminders

Reduced Retired Registration income limit increase

With full House support, we passed House Bill 2301, which became Act 60 of 2024. It raises the income limit from \$19,200 to \$29,906 for a **reduced car registration fee**. Additionally, this limit will be raised annually based on the consumer price index. I want you to know that we hear you and I continue to fight for what is fair and right.

This will go into effect December 16th, 2024, and the registration fee will still be \$11.

If you need assistance with renewing your registration or have questions about eligibility for a reduced registration, you may contact my office at 717-848-9595.
