Happy New Year! Here's to a happy and healthy 2024. May it be filled with laughter, light and joy!

Many blessings to all the constituents of the 95th District!

My office will be closed on Monday, January 1st, 2024, and reopen for normal business hours on Tuesday, January 2nd at 8 a.m.

Around the District

Last week I had the opportunity to present a citation to Miss Phyllis, an important member of the **York Day Early Learning** family who is retiring at the end of 2023. For seventeen years, Miss Phyllis has personally welcomed each child and parent by name every single morning. Her unwavering dedication, even on those chilly winter mornings, has been a constant source of warmth.

Your collective well-wishes are sure to serve as a heartfelt expression of appreciation for the impact she has had on the entire extended York Day family. **Congratulations to you, Miss Phyllis, and enjoy your retirement!**

Updates & Reminders

The House passed legislation that was signed into law that extends eligibility for the state's **affordable prescription drug program**. I am proud to say that I voted for this legislation and support this program for seniors.

As a result, **PACE** and **PACENET** recipients remain eligible for prescription drug benefits despite disqualifying increases in their overall income due to Social Security cost-of-living increases. It extends the current Social Security COLA moratorium for PACE/PACENET enrollees for two years, to Dec. 31, 2025.

Investing in Small Diverse & Veteran Business Enterprises

Securing state contracts has historically been a challenge for small businesses in Pennsylvania. Obstacles – including a lack of awareness and technical resources – have made it difficult for them to compete for contracts. Opening new doors of opportunity for small and small diverse businesses is a top priority. Accordingly, the state Dept. of General Services has released its [2022-23 Small Business Opportunities Program Annual Report](#).

The report was prepared by DGS’s Bureau of Diversity, Inclusion and Small Business Opportunities (BDISBO) and highlights record spending on small diverse businesses (SDBs) & veteran business enterprises (VBEs), including:

- Spending with SDBs and VBEs reached **\$690 million** – an increase from last fiscal year’s reporting of \$536.6 million.
- SDBs received a record high **\$678 million**, or 12.2 percent, of Commonwealth spending for goods and services during the 2022-23 fiscal year.
- SBs received **\$447 million**, or 8 percent, of Commonwealth spending for goods and services during the 2022-23 fiscal year.
