Dear neighbors,

The month of June is recognized as **Pride Month,** serving as a reminder that the fight for LGBTQ+ rights is ongoing.

It encourages individuals and communities to advocate for legal protections against discrimination, work toward inclusive policies and legislation, and challenge societal prejudices that continue to marginalize LGBTQ+ individuals.

Let us embrace the spirit of Pride Month, stand alongside the LGBTQ+ community, and work towards a world **where love, acceptance, and equal rights are celebrated by all!**

Around the District

To the Class of 2024: You did it!! Congratulations to all the graduating students in the 95th Legislative District and beyond.

Never stop growing, exploring, learning, and challenging yourself. I believe in you, and so does your community! □□

On **Memorial Day**, my office participated in the wreath laying at the **Veterans Memorial Gold Star Healing & Peace Garden**. This year the ceremony honored York County hero SP4 James Brown, who was killed in action in Vietnam on February 1, 1970.

We will never forget those who made the ultimate sacrifice for this country, and we send heartfelt condolences to the families who have lost loved ones as they fought for our country.

▫ ▫ ▫ ▫ ▫

Last weekend my staff attended **Walk with a Doctor**, an event organized by Wellspan Health to promote heart health and advocacy within York's black and brown communities.

Just a simple 30 minute walk a day can promote a healthy and happy heart!

▫ ▫ ▫ ▫ ▫

Congratulations to **York High's Unified Track team** for placing third in the state competition! Thank you for making the school district and the community proud! And as always, GO BEARCATS!!

▫ ▫ ▫ ▫ ▫

Community Progress Council recently celebrated the 50th anniversary of the WIC program by announcing its new **WIC Mobile Clinic**, which will increase access to WIC services throughout York County.

The **Special Supplemental Nutrition Program for Women, Infants, and Children (WIC)** provides healthy foods, nutrition education, and breastfeeding counseling to pregnant and post-partum people, and children from birth to 5 years old.

CPC is the largest provider of services in York County to low-income families with children under 5, serving 6,454 children living in poverty and their families through early childhood education and WIC services in 2023.

Click here for more information about the WIC program and the new mobile unit.

It was my great pleasure and honor to present a citation to **North York Borough**, celebrating their **125-year Anniversary** as an official Borough!

▫ ▫ ▫ ▫ ▫

I'm happy to announce **September House Senior Center** has received a state grant to bolster the services it provides. The breadth and quality of services the center provides to seniors in our community is outstanding. It's easy to see that its staff truly treasure the older adults they serve. I love how they purposefully include them in the activity planning process.

Have questions about your Medicaid/Medicare benefits?

I will soon host a townhall on navigating medical benefits and would like to know what questions or concerns are most pressing to you.

Stay tuned for details, and please **submit your questions** to RepHill-Evans@pahouse.net, subject line "Navigating Your Benefits."

Around the Capitol

Last week, I joined Rep. Darisha Parker, activists, and students to renew the fight for **easy access to menstrual products** – especially for students.

Key in this effort is getting the Senate to pass H.B. 851, our measure that would require the Department of Human Services to petition the federal government for a waiver to allow people to use their SNAP and

WIC benefits to purchase hygiene products, and to provide funding to schools to make products available to students for free.
