

NONPUBLIC REGISTRATION OPENS OCTOBER 1, 2026

The **nonpublic registration portal** will open on **October 1, 2026**. To minimize errors and provide training, the Department of Elementary and Secondary Education will host two webinars on **Thursday, October 1**, and **highly encourages your participation**.

Please pick the time that best meets your schedule.

- **9:00 am-10:30 am**
- **1:30 pm – 3:00 pm**

For future viewing, this webinar will be recorded and posted to the Nonpublic webpage.

<https://dese.mo.gov/quality-schools/grants-resources/nonpublic>.

The web-based ***Nonpublic Registration Form*** will be available on **October 1** through the DESE Application Sign-In (DAS) page at

<https://apps.dese.mo.gov/DESEApplicationsSignin/Index/> and must be submitted no later than **Monday, November 30, 2026, by 11:59 PM.**

Use the following steps:

- Log into DESE Application Sign-In (DAS) using your assigned DESE Web Application User ID and password.
- If you do NOT have an assigned User ID set up
 - *Request – Nonpublic* (MO 500-3125) form which can be found: <https://dese.mo.gov/media/pdf/mo5003125>.
 - To delete a user, please submit a *Web Systems Access – Delete Request* (MO 500-3209) form which can be found: <https://dese.mo.gov/media/pdf/mo5003209>.
- Under the Application Menu/Secure Access, choose “Nonpublic Registration Form”. Make sure to choose the Nonpublic Registration Form under Secure Access, not Public Access.

On **December 1, 2026**, public school districts will be able to begin reviewing data submitted through registration. For public school districts to either accept or decline information submitted by the nonpublic school, the public school district will contact nonpublic schools asking for documentation that supports the information completed in the Nonpublic Registration Form, specifically enrollment and economic deprivation counts. **Best practice for nonpublic schools would be to save or print the enrollment information used to complete the registration.**

If any information has been declined by a public school, the nonpublic school should log in and review the data declined by the public school. The nonpublic school can either update data if needed, or if the data is correct, provide additional information in the Nonpublic Comment Section. **Please never add personally identifiable information (PII) in the comments section as the *Nonpublic Registration Form* can be viewed publicly.**

Please reach out to Rebecka Noel (noel@diocesekcsj.org) if you have any questions.
