

DIOCESE OF KANSAS CITY - ST. JOSEPH

One Family: RESTORED IN CHRIST - EQUIPPED FOR MISSION

OFFICE of CATHOLIC SCHOOLS

Dear School Families,

One of the greatest gifts we can offer families is access to a Catholic education rooted in faith, academic excellence, and a strong school community.

The MOScholars Tax Credit Scholarship Program is helping make that possible for more families across our Diocese. Through Bright Futures Fund, more than **2,000 scholarships** are helping students attend Catholic schools who otherwise may not have had that opportunity.

But for these scholarships to continue, the program must be funded.

Missouri taxpayers can help at **no additional cost** by redirecting up to **50% of their Missouri state income tax liability** to MOScholars and receiving a **100% Missouri state tax credit**.

Our 2026 goal: \$15 million

Your participation helps:

- Fund scholarships for families
- Strengthen our Catholic schools
- Keep Catholic education accessible to more children

The flyer below explains how simple it is to participate and contribute through ***Bright Futures Fund***.

Please consider participating and sharing this opportunity with others who care about Catholic education.

Thank you for helping us continue this important work.

Blessings,

Karen Kroh, Ed.D.

Superintendent of Catholic Schools
