About Us

Starting Point prepares children and youth for a lifetime of success by building the capacity of professionals to provide high-quality care and education, connecting families to those services, and advocating for systems change.

What We Do

Starting Point is the leading expert in quality child care, early education, and out-of-school time resources in Northeast Ohio. We connect families to the best care and education programs for their children. We assist providers with innovative ways to improve their skills through professional development opportunities and training.

Who We Serve

Starting Point serves families, early childhood and youth-serving professionals and community organizations in Ohio's Ashtabula, Cuyahoga, Geauga and Lake counties.
