American Society of Civil Engineering - Jacksonville Branch

The ASCE Jacksonville Branch is returning with its annual Topgolf Fundraiser. Last year, we raised over $5,000! This fundraiser won't be possible without your continued membership and contributions. The money donated from the fundraiser goes directly towards University of North Florida student scholarships. You are directly helping fund the next generation of civil engineers!

ASCE's mission is to provide essential value to our members and partners, advance civil engineering, and serve the public good. In carrying out its mission, ASCE advances technology, encourages lifelong learning, promotes professionalism, develops civil engineering leaders, and advocates for infrastructure and environmental stewardship.

Thank you to last year's sponsors!
