# AMERICAN SOCIETY OF CIVIL ENGINEERING JACKSONVILLE BRANCH

The ASCE Jacksonville Branch is returning with its annual Topgolf Fundraiser. Last year was an incredible year; we raised over \$8,000 and had more than 150 people come out to support us. Sponsoring this event means you support the civil engineering community and the University of North Florida student scholarships.

ASCE's mission is to provide essential value to our members and partners, advance civil engineering, and serve the public good. In carrying out its mission, ASCE advances technology, encourages lifelong learning, promotes professionalism, develops civil engineering leaders, and advocates for infrastructure and environmental stewardship.

Thank you to last year's sponsors!

# COMMITTEE

This year, Mary Redenius, Caroline Pearson, and Alex Farfan are back and teeing up a great event. With 150+ attendees last year, we anticipate even more professionals and students! We are looking forward to seeing you there!
