

Additions to the Christ the King Library - October 2026

The following books are the latest additions to the CTK Library. They will be on the "New and Featured" shelf unless they have already been checked out. (This is the top shelf on the left as you enter the library.) Take the card from the back pocket of the book and put your name and date on it. Put the card in the wooden box on the red cart.

220.92 LUC *Really Bad Girls of the Bible* by Liz Curtis Higgs

This is a sequel to *Bad Girls of the Bible*. "This is a place of grace, not judgment. The eight women featured here demonstrate one thing: God's sovereignty. The unstoppable power of God to press forth with his mighty plan for mankind, not working around our sinful choices but through them."

225.92 CAP *The Apostles: A Captivating Guide...* by Captivating History

"If you've ever wondered about who constituted the inner circle of Jesus, don't wonder any longer. Told in an easy, interesting, and engaging style, you can finally peruse the stories that will broaden your knowledge and add to your religious conversations. By peeking behind the curtain and gathering the facts from two millennia of history, the stories of each apostle are finally at your fingertips."

248 LAW *Practicing His Presence* by Brother Lawrence

"If you wish to know the Lord in a deeper way, you are invited to join the vast host of Christians who, over three centuries, have turned to this book more than any other---except the scriptures---in order to begin that journey to the depths of Christ. ...there is probably no other piece of Christian literature that has stood the test of the centuries so well."
