## SUMMERTIME & THE LIVIN' IS EASY

Beloved of First United,

After what has seemed like an interminably cloudy spring, summertime has finally arrived. And in honor of that, I want to highlight some wonderful things that will be going on this summer at church. And all outdoors! First, it must be mentioned that our beautiful grounds are in full bloom, which leaves the entire church looking transformed and restored. From passers-by admiring our irises, to GreenOnes recognizing our rain garden as award winning, our plantings help our church put our best foot forward.

Second, the parking lot work has also begun in earnest, so that one of our most used resources will be in good repair again. From Sunday morning worshippers, to Nursery School parents dropping off their kids, to Food pantry guests receiving their daily bread, to Cluster Tutoring students brushing up on their three R's, our parking lot is a well-used community resource. We're grateful to Beyond Hunger for securing a grant to completely pay for this critical work. Our shared mission with them, of course, is about a mutual commitment to feeding the hungry. But far be it from me to turn down a free parking lot! Thank you also to the Building and Grounds Team and member Gary Cerniglia for his expert guidance and oversight of this work.

Third, we will be holding one worship service per month on the church's labyrinth. These outdoor services were such a highlight of the summer in years past, and we're glad to be bringing them back. If you are an online worshipper, fear not, we will have an online worship service uninterrupted. The first of these outdoor services will be on June 19, and will be the third Sunday of the month in July and August. We will be very literally going beyond the walls of the church this summer—and you're invited!

After you congratulate our Confirmands and enjoy a piece of cake, we invite you to Centennial Hall for an opportunity to unpack what we learned during our Fast from Whiteness. In a guided discussion led by Council Leadership, we will answer three questions:

# From the Council Moderator

Greetings on behalf of your Council, with a brief recap of May meetings.

## Lenten Theme Reflections

On May 11, members of the Church Council, pastoral staff, and Deacons participated in a conversation to share reflections on the Lenten Theme/Holy Week experience. The Rev. John Thomas, former General Minister and President of the United Church of Christ, facilitated a discussion on what we were learning about ourselves and our congregation from the experience, what we have still to learn about racism and its effects, and how our experience can inform our work to combat racism going forward. An opportunity for the congregation at large to engage in a similar discussion is planned for June 5, following worship.

## Council Meeting

At our regular monthly meeting on May 17, the Council's agenda and discussions included the following:

Devotions: Sue Saliny offered two daily readings from the UCC 2022 Eastertide Devotional "Hallelujah is Forever." One, "Rabble," was written by Quinn Caldwell based on Numbers 11:4, and the other, "So Much More," was written by Vince Amlin based on Leviticus 19:16. Quinn and Vince are both friends and colleagues of John Edgerton.

Guns to Gardens: Lois Love and Sandy Jefferson presented information on the Presbyterian Peace Fellowship Guns to Garden program, in which churches can sponsor events for gun owners to bring their unwanted guns to be dismantled and transformed into objects for peace, such as garden tools, jewelry, and art. The Waging Peace sub-team of the Faith in Action team was authorized to explore membership in the network and the requirements for hosting an event, with a view toward preparing a proposal for Council's consideration at a later time.

Security System: The Council heard from Heather Vanderberg and Carl Nauert on an urgent need to upgrade and enhance the Church's security system. Council authorized the proposal to replace the security mechanisms that protect the main door to the parking lot, the entry door to the Beyond Hunger space, and the handicap entrance off the patio. The cost (approximately \$20,000) will be covered by the Gebhard Family Build-

ing Fund.

Financial Report: Susan Macaulay reported that the church is behind approximately \$130,000 from what we anticipated in revenue through April. Of this amount, \$63,000 represents a shortfall in pledged and regular non-pledged giving. Members will be reminded of the imminent fiscal year-end at the upcoming congregational meeting.

Financial Policies and Procedures and Investment Policy: The Council approved a compilation of the Church's financial policies and procedures as well as an updated Investment Policy developed in conjunction with Alliance Bernstein, the Church's investment advisor.

Stewardship: Marteki Reed reported that to date, the Church has received 137 pledges totaling \$572,146, against a stewardship campaign goal of \$628,653.

Vision Update: We received an update from Johnny Figel at Leo Latz & Co. regarding the two vision-to-action meetings that Latz team members had facilitated to date. The Council approved providing certain giving information to Latz to enable it to evaluate the feasibility of a capital campaign.

Mulkey Sabbatical: The Council approved Lydia's plan for a 3-month sabbatical to occur in the months of October, November, and January. Under her call agreement, Lydia earned the sabbatical last Fall when she completed five years of service, and we are grateful she decided to wait a year to pursue it.

Treasurer Resignation: The Council was advised of Justin Lewis's resignation as Treasurer effective June 17, 2022. The Council extends its thanks to Justin for his years of service.

## Fourth Sunday Offering for Cluster Tutoring

For the 2021-2022 program year, Cluster Tutoring was thrilled to return to in-person tutoring at First United! As many of you know, Cluster provides one-to-one tutoring to students in grades K through 12 who primarily come from the Austin neighborhood. We are so grateful to the church for opening its doors once again to the program. Tutoring in person was vital for our

*(Continued on Page 4)*

*(Continued from page 3)*

students this year as several of them entered the program having fallen behind academically due to the challenges associated with virtual learning.

This year we were able to serve 100 students across four locations—First United, Circle Urban Ministries, and new sites at Fair Oaks Presbyterian Church and St. Catherine-St. Lucy School. The size of each of these locations allowed us to implement COVID mitigation measures that included providing each pair with their own table. Our Thursday program held here has the highest number of attendees and gives us an opportunity to serve as many students as possible.

In addition, we are excited to share that we are in the process of changing the program's name to Learning Edge Tutoring. The Board of Directors completed a strategic-planning process last year wherein they decided they wanted a name that more accurately reflects the work that we do. It is our goal to provide a "learning edge" to our students through our service to them. We expect this change to be in effect by August 1, if not sooner, and you will be able to find us at [www.learningedgetutoring.org](http://www.learningedgetutoring.org).

We extend our sincere appreciation to the members of First United who provide not only financial support but also wonderful volunteers--many of whom return to the program from year to year. Thank you!

## Upcoming Building Upgrades

We have two major building projects this summer. The first, a new parking lot, is under way! Thanks to a grant from the state of Illinois to our mission partner Beyond Hunger, our parking lot is being reinforced and resurfaced. Work will include a complete stripping of the existing lot, reinforcement in the southern lane to better withstand truck traffic and deliveries, and resurfacing and striping. The work should be completed in 3-4 weeks.

Later this summer, we begin the first phase of a larger project to improve building access and security. We will install new electronic locks on the main parking lot doors, the alley door, and the patio doors that will replace the regular keys with programmable key cards.

The new door access systems that will once again allow church and nursery school staff to see and talk to anyone who rings the doorbells as well as to buzz in those visitors. We are also replacing our 30+ year old security system to ensure years of future functionality. Later phase(s) of the project will address other exterior doors as well as security cameras.

## The Segbawu Family

Pictured here are Festus, Thelma, and two of their three daughters, Zoie and Iris. They were introduced to First United by member Lois Jean Konami-Thompson and her family.

Festus is a tax accountant and Thelma is an Occupational Therapist. Their eldest Rachel, 23, holds a bachelors in theater from Missouri Western University. Zoie, 14, is a freshman at OPRF and a Questor. Iris, 8, is a third grader at Irving School.

As a family, they enjoy traveling, playing games, cooking, bowling, and hanging out together.

We look forward to getting to know the Segbawu family. Please reach out when you see them. Their contact info is in Realm.

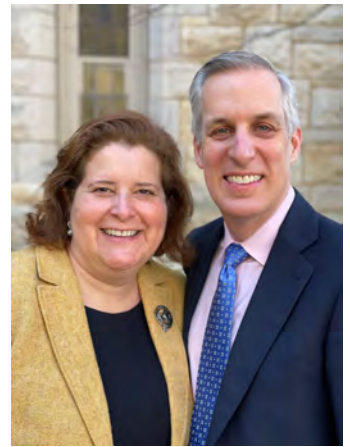

## Carol and Dale Porfilio

Carol and Dave recently moved to Oak Park from Virginia. They are excited to have found a church home at First United after not having one during the pandemic. They were attracted to First United by our inclusivity and social justice programs.

Carol is a nurse with experience in oncology and hospice and will be starting a new job at Northwestern Memorial in June as an Advocate for people wanting to donate a kidney or part of their liver for the transplant program. Carol received a master's degree in Divinity from Garrett-Evangelical Theological Seminary. She has just recently volunteered to chair the Adult Education Team.

Dale is an actuary whose job has taken him to Florida, North Carolina, Virginia, and Oak Park. He works with an insurance industry NGO which can have him testifying before various legislative bodies in the morning and answering consumer questions about their policies that afternoon. He will be serving on the Finance committee.

The Porfilios have three grown daughters and consider themselves to be a theater family who love music and the dramatic arts. Both Carol and Dale have become active members of First United's choir.

## Celebrate Juneteenth in Oak Park

Juneteenth commemorates the emancipation of enslaved people at the end of the U.S. Civil War in 1865. Let's join the Village of Oak Park's Juneteenth celebration on Sunday, June 19th. There will be a parade that steps off at 11:30 a.m. followed by a community picnic at Taylor Park at 1 p.m. Find more information about this and other local Juneteenth events [here](#).

## Help the CROP Walkers Meet An Ambitious Goal

Earlier this month, our First United Crop Walk Team completed their virtual walk to raise funds to help hungry people in our area and around the world. They set an ambitious goal to raise \$20,000 and are 3/4 of the way there! You can still make a donation to support this team on [their donation page](#).

# Alert: More Free Stuff ....

... to do. The Nominating Team invites you to think about how you might join in the work, mission, and governance of our church. If you are interested in getting involved, there are immediate critical needs for volunteers. This month we are highlighting the following three:

1. **Faith in Action.** Faith in Action oversees the mission efforts of the congregation, including designation of action teams for specific focus projects, administering the mission giving of the congregation, and maintaining relationships with agencies outside First United. Our goal is to be faithful advocates for the poor, empowering people rather than providing charity alone, and to open the path to long-term well-being for all through employment, housing, and education
2. **Children's Ministry.** The Children's Ministry Team supports the church school and leaders and provides quality nursery facilities. The members of Children's Ministry serve as "room parents" for the different Sunday school classes. Sometimes this means calling parents to have children dress appropriately for a specific activity or to bring food to make lunches for the Housing Forward PADS overnight shelter program.
3. **Newcomers.** First United members have come from a variety of faith backgrounds or sometimes no church background at all. The goals of the Newcomers Team are to help orient people to the church, to help the congregation learn more about these potential new members and their passions, and to begin to create a small community within the larger church body from which people can branch out and make First United their own.

If any of these opportunities are of interest to you, please send your name and best contact information (phone number and/or email, plus time of day) to [office@firstunitedoakpark.com](mailto:office@firstunitedoakpark.com).

A member from the Nominating Team will contact you to discuss your interests and determine the next steps. Thank you and God bless from the Nominating Team.

# Loving with SO MANY Books!

Thank you, First United, for your amazing response to the Loving With Books: New Moms and New Babies project. We set a goal to raise enough money to fund 100 books to support New Moms book drive and, with your support, we raised almost enough to fund 200 books!

Our Church School kids had a wonderful time reading the inclusive, empowering books that were carefully selected by New Moms. The young families that New Moms support will also be able to enjoy the books for years to come when New Moms provides a new book with each supportive visit.

Thank you so much to our fearless project leaders Ann Armstrong, Laurie Jolicoeur, and Deb Stracco for their tireless efforts!

## Quest Class of 2020

On Sunday, April 24 we were finally able to communally recognize and celebrate our Quest Confirmation Class of 2020! Although they were voted into membership in June of 2020, the pandemic deprived us of the opportunity to gather as a church family and engage in our ritual tradition of the rite of Confirmation.

We were thankful to celebrate this joyous occasion together, for the beautiful worship leadership of our confirmands, and for all of the incredible gifts they share with our community.

Congratulations Quest Class of 2020! We are proud of you and thrilled to have you as members of First United Church!

## Sign Up to Be an Acolyte

Children will meet a member of the Children's Ministry Team at the back of the sanctuary who will give them a stole (a piece of fabric to wear over their shoulders) and a lighting wand. Younger children can walk down the aisle with an adult's help. [Click here](#) to sign up to serve as an acolyte.
