

## Walker County Secret Santa

The Walker County Secret Santa Program exclusively serves children in foster care to make sure they have a magical holiday! Our goal is to collect donations and connect donors to fill our foster children's wish lists. This is a tangible way that you can help the Foster Children of Walker County!

Want to help a child in need this Christmas? Walker County has three ways to make this the best Christmas for our foster children.

1. Consider sponsoring a child's Christmas Wish list or purchasing an item off their wish lists for them to open on Christmas Morning.
2. Purchase individual items from our Amazon List to supplement a child's wish list.

3. Monetary Donations and Gift Cards to go towards higher-priced gifts or older children who desire to shop.
