**Friday, June 14 Shotgun Start, 9:15 AM**

- The format for today will be a “Shamble Format”. For this type of format each player plays their own ball after the first tee shot. Once everyone tees off on par 4’s & 5’s...the foursome will determine the best drive, and everyone will play their own ball from this spot until the hole is finished. For par 3s, all golfers will play their own ball.
- Men will tee off from the white tees, Senior Men (62 yrs) will tee off from gold tees and Ladies will use the red tees.
- **All golfers will pick-up at double par.**
- Team scoring will consist of the lowest score of the group. Do not indicate individual scores. Scheid System will be used to determine the team net winners.
- Today’s outing will also include the following individual competitions;
  - Men’s & Women’s Drive on Hole #18. A twisting chalk line will be placed down the fairway and a tape measure placed to determine distance from chalk line. Both men’s and women’s plaques will be located on fairway...doesn’t matter which side of the chalk line you fall it’s closest to the twisting line.
  - Men’s & Women’s Closest to Pin...Men Hole #3 & Ladies Hole #5
- **Please print all first and last names** on your scorecard and indicate the lowest score of your group for each hole. Once you’ve finished your round, and **before leaving Avalon** ...please give your scorecards to Bill Donato or John Straub.
- **Very Important to Keep Pace With The Golfers In Front Of You.**
