

## Take Advantage of Your Member Benefits!

Available now are three levels of member benefit options. The Essential Membership honours those survey respondents who requested lower dues rates. The Premium and Ultimate options add more value, some packaging of events, and combine some new personal benefits to compliment the professional benefits. Moving forward, we'll be introducing additional member benefits to further enhance each of these member benefit options, and we welcome your suggestions for any such new benefits.

One of our members who recently upgraded to the **Ultimate** Benefit package during the October promotion, has already saved over \$600 and in addition was able to add one of his employees as a CGSA member worth \$234.

Here is an example of how he has saved:

- Circulated a job posting through SuperSearch – saved (\$200)
- Submitted his re-certification renewal and saved 50% off his recertification fee (\$50)
- He will receive a conference discount (\$150)
- He received the limited edition CGSA Golf Shirt (\$60)
- Divot Repair Tool Set worth (\$35)
- Front of the line Registration – Gordon Witteveen Book and CGSA Toque (\$50)
- A copy of the Membership Directory (\$150),
- and he will continue to reap more benefits through the rest of the 2018-2019 membership year with memberperks – a personal benefit that was added to provide members and their families several savings such as: Apparel, Travel, Auto, Sports & Recreation, Shoes & Accessories, Dining & Food, Education, Financial Services, Computer & Electronics, Health & Wellness, Insurance, Professional Services and so much more! \$\$\$\$ in savings!

If you couldn't upgrade your member benefit options in 2018, please consider upgrading for the 2019-2020 membership year. It is truly a valuable investment!

For more information on each of the benefit options that are now available, click [here](#) or contact Lori Micucci, at 1-800-387-1056 or [lmicucci@golfsupers.com](mailto:lmicucci@golfsupers.com).
