BC Report

Apologies for the brevity of this report but it is a very busy time in BC as golf courses, and golfers, start to wake up. Here in the Okanagan many golf courses are opening soon or have already opened. We've experienced a late cold snap which doesn't do Superintendents here any favours but I would guess many of us are ready to get the season under way.

The Interior Chapter of the BCGSA held it's first in person meeting in quite some time. Unfortunately, I was unable to attend but from all reports it was well attended as most Superintendents in our region are eager to spend time face to face again. Keith Lyall from Sun Peaks was host Superintendent and is our most recent award winner winning the CGSA/Rain Bird Environmental Achievement award.

If you follow him on Twitter you already know but I am very pleased to announce that Pat Differ has made it home finally after a long stint in the hospital. Pat is home recovering and all of us in BC wish Pat the smoothest and healthiest of recoveries.

That is all from me and the land out west. Have a great season!

Ken Bruniski – CGSA BC Director
