

Purchase your copy of the 2023 Canadian Golf Maintenance Department Compensation Study

The Study is the most comprehensive review done for the Canadian Golf Maintenance Department. The full report is 50 pages in length and contains information on course demographics, operations and capital budgets, salary information on 7 positions within the maintenance department and includes information on both health and fringe benefits available to employees from Superintendent to Labourer.

Study results are available for \$350 (+ taxes) for CGSA members and \$700 (+ taxes) for non-members. It will be sent via electronic file.

To purchase complete this form and return to Lori Micucci at lmicucci@golfsupers.com or fax to: 416-626-1958.
