

And that's a wrap! The National Tournament schedule kicked off in May in British Columbia and wrapped up with our last presentation on October 5th in Cape Breton. This year CGSA recognized 31 members throughout the summer for hosting these events. Member recognition was up 7% compared to 2019.

The Canadian Golf Superintendents Association (CGSA) represents approximately 1,000 individuals at the national level across Canada. Its mandate is to support and promote the profession and to provide education and research resources for golf course managers.

As part of the ongoing effort to recognize the role of the superintendent at the golf facility, the CGSA sponsors the National Tournament Program for members that host these prestigious events. Our members are an essential part of the team that ensures that the golf course provides fair and consistent conditions for competition.

These presentations and photos that were provided to CGSA would not have taken place without the help and support from Golf Canada, the PGA of Canada, and the PGA TOUR Canada. For that, CGSA is very grateful for their support!
