Dear Turf Researchers,

This year's allied turfgrass research funding application process, formerly known as 'CATR' or Canadian Allied Turf Research, is being administered by the Canadian Turfgrass Research Foundation. You are invited to apply for research project funding consideration by the following expanded group of allied turfgrass research funding organizations with a single submission:

Alberta Turfgrass Research Foundation
Atlantic Golf Superintendents Association
Canadian Turfgrass Research Foundation
Manitoba Golf Superintendents Association
Northwest Turfgrass Association
Ontario Turfgrass Research Foundation
Ottawa Valley Turfgrass Research Foundation
Quebec Turfgrass Research Foundation
Saskatchewan Turfgrass Association
Western Canada Turfgrass Association

To be considered for funding, please complete the 2020 Research Grant 'ONECALL' application form and return to executive.secretary@turfresearchcanada.ca by Tuesday, October 31st, 2019 by 5:00pm Pacific time.

Please get in touch with the CTRF if we have not acknowledged receipt of your application within 2 weeks of submission. While the CTRF is administering this application process, individual organizations will make funding decisions based on their own priorities, funds available, previous commitments, etc. As a result, funding for individual projects may be provided by one or more funding group.

If you have questions, please contact me at
executive.secretary@turfresearchcanada.ca.
