Savings with Motorola

CGSA members through the Golfmax Purchasing Program receive 5% off the lowest Canadian prices with Lenbrook Solutions, official distributor of Motorola two-way radios and accessories, and CAT rugged smart phones in Canada.

Motorola has become a common household name due to their ongoing dedication to providing you with above average products. 2 Way Radios are no exception. Motorola has set the standard for the communication industry with new options available to integrate irrigation, gates and other push button operations directly with your handheld two-way radios. Repeaters, nationwide push to talk radios and body worn cameras for security are also in our product portfolio.

Use promo code **CGSA2021** to place your orders today through the **Two Way Radio Gear website** (link below); official **Lenbrook Solutions** reseller of **Motorola** products. All new customers are encouraged to call and speak with an account manager to confirm you are purchasing the most appropriate style radio for your needs.
