

## Volunteers Wanted

CGSA's Standing Committees are the lifeblood of our organization. The input of our members in a number of critical areas of the CGSA mandate helps to shape the very programs and services that the CGSA provides on a daily basis and provides an exciting opportunity to meet people from across the country and get first hand, and in many cases, advanced knowledge of the issues and situations affecting golf course management in Canada.

The current list of standing committees includes:

- Membership
- Environment
- Communications
- Professional Development and Accreditation

If you are interested in serving on a CGSA Standing or Ad Hoc Committee, please let the CGSA office know by **April 26th**, noting the committee on which you would prefer to participate. You'll be contacted by email in early May of your committee appointment with the first committee meetings being held late May/early June.

Please complete the following and return to the CGSA by **April 26, 2021**.
