BRIEF OVERVIEW OF COURSE:

HOW LONG BEEN HERE AT THIS COURSE?

BEST ADVICE?

BEST PART OF THE JOB?

COURSE NAME
Westfield Golf
& Country Club

WGCC was established in 1919 by Donald Ross design overlooking the Saint John River Valley. 18 hole, par 69 semi private golf club.

The course is maintained by 7 full time seasonal staff.

Been here since 2012 – only the 4th Superintendent employed by the WGCC since 1920!

When listening to stories from people over the years, one statement is always consistent, "Find a Career that you love and you won't work for a day." Now find myself as one of the older guys giving advice – Find a place that treats you well, respects the knowledge of the superintendent, supports you with continued education and offers a stable living for you and your family.

Nothing beats finding that quiet area of your golf course and watch the sun cast the first light of the day – puts life into perspective.
